Forecast For Yorkshire & the Humber
Issued by Met Office Exeter
at 1600 on Friday 26 Mar 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Blustery showers tonight, locally wintry. Sunny spells on Saturday.

This Evening and Tonight:
A breezy evening with occasional blustery showers, wintry over high ground where snow accumulations are likely in places. Showers will become less frequent later in the night, with prolonged clear spells but a widespread frost and icy stretches. Minimum temperature -1 deg C (30 deg F).

Saturday:
Cold, breezy, with sunny spells and a few showers quickly fading. Any snow accumulations melting. Becoming increasingly cloudy during the afternoon, with further strong winds and rain in the evening. Maximum temperature 11 deg C (52 deg F).

Outlook for Sunday to Tuesday:
Milder but windy through Sunday and Monday, with gales on hills. Some outbreaks of rain on Sunday but brighter and largely dry on Monday. Dry, sunny and warm on Tuesday.
